

Dear Parents,

As we start our study of Michigan, I would like to begin with what you already know. Use the "postcard" below to share your family's favorite place in Michigan. It might be a city or town, a family cabin, or your favorite campground. Help your child write a brief description of why this is your favorite spot, include a picture (hand drawn or photograph), the name of this place and a general location. My example is on the back of this page.

P.J. Hoffmaster State Park is my
favorite place in Michigan because
I have been camping there since I
was a kid. I love the trails that
take us to Lake Michigan, playing in
the warm water of the inlet shown
in my picture, and sitting by the
campfire every night.
